Networking session (NWS)

Cardiorespiratory

16:00 - 17:15

Room T+U

Cardiorespiratory (NWS-05)

Chair: Patman, Shane (Australia)

International Confederation of Cardiorespiratory Physical Therapists (ICCrPT)

Network with your colleagues who share a common interest and explore:

- Knowledge gaps, and the challenges and opportunities in the area of interest
- Commonalties and differences in different cultural/health/policy settings and what can be learnt from them
- New developments that might have an impact on your work
- Ways to continue connecting, for example via WCPT, conferences, subgroups or social media
- Collaborative opportunities, also inter-professionally, to advance education, practice, research and policy
- Plans for future projects

Facilitators should be available to support discussions in French. Please speak to the session chair at the beginning of the session for details.
