

### *WELCOME TO WC 2023*

The International Confederation of Cardiorespiratory Physiotherapy (ICCrPT) welcome you to **WP 2023 (2<sup>nd</sup>-4<sup>th</sup> June 2023)**. There are many opportunities for cardiorespiratory physiotherapists from across the globe to share information, network, learn, inspire and be inspired! We would like to **highlight** a few sessions that might be of interest to our members.

#### ICCrPT will host a **Networking Session**

The ICCrPT will host a **Networking Session** on **Friday the 2nd June from 11.50-12.50pm** and anyone with an interest in Cardiorespiratory Physiotherapy is welcome. This session will enable you to hear from cardiorespiratory physiotherapists across the world and will be chaired by our chairperson Brenda O'Neill:

*Networking session NWS Cardiorespiratory NWS -04*

*Chair: Brenda O'Neill (United Kingdom); Co-chair: Anna Christakou (Greece)*

The ICCrPT look forward to meeting with you to experience online and experience collegiality amongst our cardiorespiratory community. Please join us and contribute to the discussion!

**Membership for ICCrPT 2023** remains open – please join / renew your membership with us as we continue our efforts to support and promote cardiorespiratory physiotherapy. If you are interested in finding out more about becoming a member of ICCrPT, please contact our Executive Committee ([info@cardioresp.physio](mailto:info@cardioresp.physio)). Enjoy your congress!

**The Executive Committee, ICCrPT, May 2023**

**There is a staggering amount of content at WP 2023!**

To assist you in maximising your congress experience, we have provided a list of cardiorespiratory sessions/presentations during the course of the congress. Please also consult the congress planner for further details of session content and venue (<https://wp2023.world.physio/#/programme/sessions>)
